Note: This report is not verbatim but is co and inclusive of all significant discussion to the best of the writer's ability. This is a Meeting Report rather than official Minutes and should be read in conjunction with the attached materials.

1. Introduction – Dani Desautels, Made Safe

- Opens meeting welcoming everyone and introductions.
- House Keeping
- Agenda review

2. Methadone in the Workplace - Dr. Blignault CW Wiebe Medical Center

- Open Discussion and Questions
 - What is Methadone / Suboxone?
 - What is addiction?
 - Addiction vs tolerance
 - Methadone impairment, how is it controlled?
 - The importance of a support system for recovering addict
 - What substances is Methadone / Suboxone used for?
 - **LINK:**

3. SAFE Work Manitoba update - Laura Farmaner – SAFE Work Manitoba

- Slide Presentation:
 - Industry code injury statistics
 - Serious Injury statistics
 - Time lost
 - Total Injuries

4. Made Safe Update – Neal Curry, Made Safe

- Over 1000 member companies as of January 1st representing \$1.7B in payroll.
- Currently 5 certified companies, with another 1 at SWMB for review.
- 5 certification audits already scheduled for 2018
- A partnership between Workplace Engineering Solutions (<http://www.workengsolutions.ca/>) and Made Safe now exists where Made Safe member companies can receive discounts on services and free trials for the WESGuard Machine Guarding Tracker App (<http://wesguard.ca/index.html>)

5. Upcoming 2017 Items

- Training registration through the website will now close 2 weeks prior to the class date. Contact the office if you need to register for a class that has already closed down online.
- The fee for cancelling a class attendee with less than 72 hours notice (weekends not included) will be increasing to \$350 per student effective January 1st.

- **It is very much appreciated when companies that host Made Safe training at their facilities are willing to open the classes to smaller outside companies that may not have the staffing levels or facility to host their own classes.**
- **It is suggested that if a member company is approached by a consultant or sales person claiming to be associated, aligned, or working with Made Safe that they contact the Made Safe office to confirm prior to agreeing to services or products. Currently Made Safe has partnered with only one outside organization but is in discussion with several others. The same goes for any person or organization representing themselves as a "Certified Safe Work Auditor". Please check with your applicable Industry Based Safety Program (IBSP) to ensure that these statement are accurate.**
- **<http://www.recyclemanitoba.ca/> is an excellent resource when attempting to find an appropriate avenue for recycling**

6. Questions, round table – Dani Desautels, Made Safe

- **No questions, wrap up, and thank you's.**

The next Quarterly meeting will be held in Winnipeg on March 7th , 2018, In Winkler. Location to be announced
