

THE SAFETYS

A Celebration of Workplace Safety

GET RECOGNIZED AT THE SAFETYS

The Safetys is a fall gala event where eight Manitoba safety organizations present awards to individuals and organizations for their achievements in occupational health and safety. It is a one-of-a-kind opportunity to celebrate Manitobans who are making our workplaces healthier and safer. Visit thesafetys.ca for more information.

HOW TO NOMINATE

Apply or nominate for an award to be presented at The Safetys:

SAFE Work Awards

Do you know a workplace safety champion? Nominate them for a SAFE Work Award! SAFE Work Manitoba gives out three awards each year: a Worker SAFETY Award (for an individual worker), a SAFETY and Health Committee Award (for a workplace safety and health committee), and a SAFETY Culture Award (for a workplace). Nominations for the 2018 awards open in April 2018. Find submission criteria and more information at www.safemanitoba.com/SAFEWorkAwards.

NAOSH Awards

The Canadian Society of Safety Engineers (CSSE) annually holds a week-long celebration called North American Occupational Safety and Health (NAOSH) Week, where employers, workers and all partners in occupational health and safety collaborate to promote injury and illness prevention in the workplace. Organizations that participate in NAOSH Week are encouraged to apply for NAOSH Awards based on their week-long celebrations. Demonstrate your commitment and experience of NAOSH Week by applying for a NAOSH Week Award at www.csse.org/awards_program.

INDUSTRY-BASED SAFETY PROGRAM AWARDS

The RPM Award

The RPM Award was created to recognize a Manitoba trucking company that has achieved outstanding safety performance over the last year and consistently made significant improvements to their safety program and practices. All Manitoba trucking companies who are SAFE Work Certified through RPM Trucking Industry Safety are eligible to be nominated. To nominate a Manitoba trucking company that meets these criteria, please visit www.rpmsafety.ca/the-rpm-award.

Safety Excellence in Manufacturing Award

As the industry-based safety association for manufacturing, Made Safe is pleased to present the Safety Excellence in Manufacturing Award. This award is presented annually to a company who has demonstrated leadership in three key areas: a comprehensive, formal safety program, a strong, uniform safety culture in all areas of the organization and a demonstrated track record of safety success. Nominations can be submitted year-round to info@makesafe.ca or online at www.madesafe.ca.

Manitoba Heavy Construction Association WORKSAFELY™'s Safety Leader Award

WORKSAFELY™'s Heavy Construction Safety Leader Award was created to recognize an individual's dedication and outstanding contribution to health and safety in Manitoba's heavy construction industry. This nominated individual must demonstrate a commitment to providing a safe and healthy workplace for all workers through the identification, communication and control of hazards, and must act as an advocate and a mentor to fellow workers. The award is open to anyone currently employed by a member of the Manitoba Heavy Construction Association. For more information, contact Jackie at 204-947-1379 or email mhcamarketing@mhca.mb.ca.

The MVSAM Safety Champion Award

The MVSAM Safety Champion Award recognizes an individual who exemplifies safety leadership within their workplace. This individual goes above and beyond to create a safer workplace for their entire organization. This award is open to anyone who is currently employed by a member of the Motor Vehicle Safety Association of Manitoba. For more information, email info@mvsam.ca.

The Construction Safety Award of Merit

The Construction Safety Association of Manitoba (CSAM)'s Construction Safety Award of Merit is designed to honour and celebrate one individual's dedication and outstanding contribution to health and safety in the construction industry of Manitoba. This nominated individual demonstrates a commitment to safety in the workplace, acts as an advocate to fellow workers and is employed with a member company of the Construction Safety Association of Manitoba. For more information, visit www.constructionsafety.ca or contact us at 204-775-3171 or safety@constructionsafety.ca.

Manitoba Agri-Safety Award

The Manitoba Agri-Safety Award is presented to a farm or agri-business that has made a positive effort toward implementing safety. With an awareness that in agriculture the home can also double as the workplace, we understand that major changes can't always be made all at once. Thus, the selection process for our award will equally consider both small and large victories. If you or someone you know has made a positive change to increase safety practices, please send us a nomination describing why that person/business is deserving of the award by August 1, 2018. Nominations can be emailed to renee.simcoe@manitobafarmsafety.ca or made through our website at www.manitobafarmsafety.ca.
